# GM68S Snow Helmet

## Full Face Helmet

**NEW**

- DOT approved.
- Lightweight Thermo-Plastic Alloy shell.
- Lightweight, multiple shells and styro's for GMAX® premium fit and maximum comfort.
- 19 vents for "State of the Art Venting", 9 intake vents and most important 10 exhaust vents to get the hot air out. Maximum air flow is achieved through shell, styro and comfort liner vents.
- High air flow top intake vents feature larger controls for easy use with gloved hands.
- Large rear exhaust vents get the hot air out.
- Interior designed to assist shell and styro venting by not blocking the vent holes and channels.
- Plush, removable, washable Coolmax® interior allows for custom fit and comfort that is second to none.
- Removable adjustable cheek pads for custom fitting with optional sized cheek pads.
- Interior designed for noise reduction and comfort with noise reduction cheek pad shape, vented chin curtain and rear neck roll shape.
- Padded chin strap with d-ring closure and retention snap secures excess chin strap.
- L.E.D. light on rear of helmet is incorporated into the rear vent. It is unobtrusive with different easy to use light settings and a choice of red or black lens that are included with the helmet.
- New outer flip tint lens.
- New State of the Art anti-fog double lens shield comes with anti-scratch hard coated outer lens for a longer lasting clear view.
- Comfortable, unobtrusive snow breath guard reduces fogging.
- Snow curtain for added warmth and reduced noise.
- Large eyeport for improved range of vision.
- Molded front air deflector directs hot breath air away from the shield to reduce fogging and the adjustable chin vent directs fresh air upward across the inside of the shield to help reduce fogging.
- Painted shell with high-tech water decals and high quality clear coat finish.
- Helmet bag included.

Flat Dark Silver

Crusader-TC14-Flat White/Pink

# GM17SPC Open Face Helmet

- State of the art engineered lightweight thermo-plastic poly alloy shell, DOT approved.
- New high tech shell design for maximum venting and comfort.
- Industry leading eight vents, including new GMAX top vents and rear vents with premium SPC vented styro and interior engineered for maximum air flow control.
- GMAX Supreme Fit.
- Coolmax® comfort liner moves moisture away from your body, and the fabric dries quickly. The added performance keeps you cool and comfortable.
- Removable/washable interior.
- Removable/adjustable cheek pads allow custom fitting and increased comfort.
- Padded chin strap.
- New "DERK" flat finish graphic series.
- High quality painted clear coat finish.
- Hard coated shield reduces scratching.
- Aerodynamic flush mounted screwless shield is easily removed.
- Included visor easily replaces shield.
- Speaker pockets for easy speaker/communication system installation.
- Platinum series includes: tint and clear shields, dark tint visor and extra shield bag, visor bag, and helmet bag to protect your included shields and visor when not in use.
